

## SONG SELECTION FOR TRIBUTE ARTISTS

**The Penticton Elvis Festival** is proud to announce they are a completely “digital” festival, meaning we use only state of the art computerized systems for your tracks – and have replaced the “skipping” and “improperly cued” CD. As a **TRIBUTE ARTIST** – please fill in the list below forwarding your **COMPETITION SONG CHOICES** – Your first selection being “**YOUR FIRST COMPETITION SONG CHOICE**” and list down to 10 according to importance. Where we will try the best we can to get you your main song choices – at the Penticton Elvis Festival – we try to keep repeat songs to a minimum to maximize the enjoyment of the immense crowds that have come to see you – after all – they are the reason we perform. Selections will be made based on a first come first serve process.

**THE GOSPEL SHOW CASE on SUNDAY MORNING** is the same format – *except you need to forward FIVE of your favorite song selections of which we will choose one or two.* Again we will try to get everyone the songs they want – but repeat songs will not be permitted in the Gospel Show – and certain songs are reserved for certain segments of the show.

You would be **BEST** to fill out the rest of the CD with either: ***Optional Songs that you may sing on at the Opening Night Park Show, Saturday Night or your 5 FINALS SONG CHOICES*** should you make the finals. (A standard 80 min. CD should hold easily 20-22 ELVIS tracks.) The finals choices won’t be confirmed till the finalists are announced as there will be an opportunity to change your song at a **MEETING** right after the finalists are announced!

### YOU CAN SEND YOUR SONGS:

- 1) **WITH YOUR ENTRY FORM AND FEE ON AUDIO CD.** *The festival has all the major titles of VELVET ELVIS, KING TRACKS, GOLDEN VOICE etc. and we will confirm your selection using our library of tracks. PLEASE NOTE: All of the HOUSE TRACKS will be in original key of the producer of the track – no key changes.*
  
- 2) **BY E-MAIL IN MP3 FORMAT ONLY** – *not below 192 kbps to [brianelvissimpson@gmail.com](mailto:brianelvissimpson@gmail.com). For you computer friendly people, the FESTIVAL recommends using [www.yousendit.com](http://www.yousendit.com) to send larger files. If you are familiar with winrar or zip – you can put all your files into a folder, compress them and send them as one large file at YOUSENDIT. Otherwise you will have to send all tracks individually.*
